

Privacy & Photo Release

The ASA must get **consent** before using or disclosing personal information to put your farm and contact information on any promotional material. (website)

I give the Alberta Shorthorn Association permission to use my and or my child/children's photograph publicly to promote the association. I understand that my images can be used on social media, print material, and the website.

I give the Alberta Shorthorn Association permission to release my contact information to perspective buyers, association website and other members and any other relevant uses.

Please check to agree terms below:

- I give permission for name(s) and/or photos to be included in promotional material's and/or website.
- I give permission for my/our names(s), phone number and email to be included in a list made available to the public.

I give permission to receive emails and mailed information from the Alberta Shorthorn Association.
